Hello! I'm Charlie Tatman. Here is what I offer for your musical entertainment needs.

## ***Charlie Tatman Solo***

Just me, my guitar and a lot of fun. I play classic rock and country rock as well as originals and tell a few jokes. This act is suited for venues that want medium energy level entertainment without the high volume. Events and venues such as bike nights, smaller clubs, parties, campgrounds, and reunions. This act is available most anytime and has performed venues and charity functions all over Ohio, Kentucky, and Nashville, TN.

My solo act requires very little space. I have one or two 12 inch speaker cabinets (depending on what is needed) on stands, a mixer, and a stool for me to sit on. I can provide break music with my tablet and also have lights if needed.

## ***Charlie Tatman Band***

This is my three or four piece cover band. The three piece band consists of drums, bass and guitar (acoustic and electric). The Trio was formed for venues that want a band without as much volume or the cost of a four piece band. If the crowd wants music to dance to or acoustic music for a social gathering we can tune this band to your venue and the crowd. This group is well suited for everything from fraternal clubs to bars to social gatherings. The four piece adds another guitar and with it, some songs that require two guitars. The set list for both bands is classic and southern rock covers with some country and blues as well as a few originals. Both of these acts are available mostly weekends all over Ohio.

All of my acts cater to their audience and will be family friendly as needed. I may tell a joke or two but you won't hear profanity from ANY of these acts. As you will see on the playlist, all the music of these acts is danceable and geared to take people back to when good music was played.

Enclosed is a promo sheet for each act with pictures, playlist, and a business card. To access audio and video samples, a current schedule and other information, please visit [www.CharlieTatman.com](http://www.CharlieTatman.com).

Please contact me at (614) 264-9405 for rates or further information or you can e-mail me via my website. Thanks again for the opportunity to entertain you!

## *Acoustic Music...Southern & Country Rock*

**Charlie Tatman's** soulful, bluesy, whiskey soaked voice and “just one of the boys” personality makes him one of Central Ohio’s best entertainers. Whether performing for a large audience or a few friends around a campfire, everyone has a good time at a Charlie Tatman show, especially him! Charlie mixes rock and roll and country music into his own blend of southern and country rock. He then adds to that some story telling and a few jokes and he creates an intimate performance style no matter what size the venue. With songs from **Lynyrd Skynyrd, Bob Seger, The Eagles, John Mellencamp, Hank Jr.**, and others,

as well as his own originals, his playlist will “Take you back home.” They are songs you will recognize, sing along with and dance to.

Charlie has been playing and singing for as long as he can remember. Growing up the youngest son of a fire and brimstone Baptist preacher, he learned at an early age how music can move people. He began playing guitar and started his first band in junior high school to perform at local talent shows and school functions. Through the years he has played with several local bands, most of which played classic and southern rock as well as some country. His influences are the southern rock and classic rock bands of the seventies such as **Lynyrd Skynyrd, Bad Company, Molly Hatchet**, as well as **Bob Seger, Ted Nugent, Elvis**, and **Hank Jr.**

Charlie is a bike night favorite and has performed solo as well as with his band at many venues in and around Ohio, Kentucky, and Tennessee. He has opened up for such headliners as **Tim Rushlow (Little Texas), Danielle Peck, Ronnie Keel, Iron Horse**, and local favorites, **McGuffey Lane**. He is also a veteran of community service events such as **The Columbus Marathon** and the **Annual Joe Hugs Poker Run**.

In May of 2006 Charlie was signed by **CMG Records** in Nashville. His first CD **Free and Easy** was released in February of 2007 to great reviews and continues to be played on several internet and broadcast radio stations around the world. It was voted the #5 Independent Release of the year by **Swampland.com**. The 10 song CD runs the gambit of styles. Some songs are ballads, others are straight ahead rockers. Some are country and others are bluesy. These styles all reflect the music that Charlie grew up on and loves.

To contact Charlie call (614) 264-9405 or to get more information, visit his website at [www.CharlieTatman.com](http://www.CharlieTatman.com).

**RANDY ROBERTS**  
Guitars

***The Charlie Tatman Band*** is taking the music back 30 years to when real rock & roll was being written. The four piece band plays a mix of hits and misses from the 70's and 80's. Classic Rock, Southern Rock, Country Rock.... It's all in their playlist.

In 2006 Charlie formed the three piece when he saw the need for a tight three piece group to play shows that could produce more power than his solo act but could still fit into smaller clubs with less volume than his full band. The trio plays the same variety of music styles. Whether the audience wants an "unplugged" acoustic playlist at a level people can talk to each other or to rock out and dance, we can tune this band to your venue and the crowd.

***The Charlie Tatman Band*** is ready and available to play bars, clubs, reunions, corporate functions, wedding receptions, or anywhere people want to dance and party to music you can sing along with.

For audio and video samples or more information, check us out and contact me through my website at [www.CharlieTatman.com](http://www.CharlieTatman.com) or contact **Charlie** at (614) 264-9405 or (614) 875-8489.
